

WC 20th November 2017

This week we have been learning about Diwali.

This week we have learnt the story of Diwali. We listened to the story of Rama and Sita and how they returned back to the city for the festival of lights. We have been looking at the Hindu religion and the different Gods.

We have also been making different Rangoli patterns. We had a go at making a Rangoli window decoration. To make them, we ordered and followed instructions. We did very careful cutting.

With Mrs Hewings, we have been making our own lanterns. We followed the instructions to make sure we were cutting the right part of the paper and attached it together. We decorated them.

We have been carrying on with our number learning. We have found the missing numbers to 10 and to 20. We have also been practising how to write our numbers and using our memory hooks to write them.

This week Rev. David Goddard came in to do an assembly with us. He taught us some songs using his guitar. We did a great job at singing along and joining in with the actions. He told us a story from the Bible about Jesus. Then we talked about who Jesus is and what Christians believe.
